LATIN AMERICAN PACT FOR SOLIDARITY ASSOCIATIVITY FOR PEACE

XVI INTERNATIONAL SOLIDARITY ECONOMY MEETING. Neiva, 29 July 2023

The state, international and intercontinental organisations gathered in the framework of the XVI International Meeting of Solidarity Economy held in Neiva - Huila from 27 to 29 July 2023, coming from 16 countries of Latin America and Europe, unanimously agree to sign and consolidate a "Latin American Pact for Solidarity Associativity for Peace", where we propose:

1. Strengthen the route of solidarity interconnectivity in political, economic, organisational and territorial aspects.
2. Claim a permanent space for dialogue between social movements and government bodies to design, co-construct, promote and monitor the implementation of public policies.
3. Strengthen common agendas within the framework of ILO and UN resolutions on the promotion and development of the Social and Solidarity Economy.
4. To consolidate and permanently expand the articulation of movements, networks, organisations and associative spaces, within the framework of the social, solidarity, popular and community economy.
5. The *Buen Vivir* as a dignified commitment for communities, from an ethnic and community approach, promoting food, water and energy sovereignty.
6. Strengthen and make visible social, solidarity, popular, community and alternative practices in the territories.
7. To promote popular, alternative and transformative educational processes in relation to culture, training and research in the Social and Solidarity Economy.
8. Articulate and make feasible the realisation of the WORLD SOCIAL FORUM OF TRANSFORMING ECONOMIES, in 2024 in Colombia. As a strategy to support the country in its alternative processes of popular, solidarity and community economy.
